FLOOR SAWS

CS500 - CONCRETE FLOOR SAW

A strong powerful machine for Green Concrete cutting and all types of repair work on both Concrete & Asphalt surfaces.

The design of the water tank changes the centre of gravity of the machine when lowering the blade for cutting, giving just the right amount of pressure to the blade for maximum cutting effect.

Easy and accurate handling, with easy maintenance.

CS500

CS501 - CONCRETE FLOOR SAW

Engine and blade shaft mounting system increases comfort and gives excellent cutting performance, with low vibrations.

The sealed blade shaft system allows for a minimum of 200 maintenance-free hours without daily greasing of bearings. Low Maintenance.

It is easy to adjust the blade. Spring-assisted screw feed facilitates blade adjustment in and out of the cut.

Adjustable handles - provides a closer and more comfortable position to the cutting side for easier alignment and straighter cuts. Handle can also be folded for transport.

CS501

MODEL	CS500	CS501
ENGINE	HONDA GX390 13HP	HONDA GX390 13HP
MAX BLADE (mm)	500 mm	500 mm
DIMENSIONS (LXWXH)	1088mm x 580mm x 925mm	1550mm x 655mm x 1200mm
WEIGHT (Kg)	220 kg	183 kg
MAX CUTTING DEPTH (mm)	180mm	185mm
WATER TANK CAPACITY (L)	70 L	18 L
