

# HP36

## WIZARD TROWEL

QUALITY ENGINEERED. QUALITY BUILT. QUALITY SURVIVES.

The HP36 Wizard is a simple, efficient, productive and economical pedestrian (walk-behind) power trowel which has been designed to float and finish wet concrete to a superb finish that is impossible to achieve using hand tools alone, especially when working on larger surface areas.

The HP36 is easy to maintain and use and has been designed with flooring contractors and hire/rental fleets in mind and engineered to provide real, identifiable on the job performance at an economical and affordable price.

Alternative/replacement blades and pans are available upon request.

- Manual blade pitch adjustment
- One piece solid handle
- Fingertip throttle control

Also available with a folding handle
